

APPEAL NO. 032186
FILED OCTOBER 1, 2003

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on July 17, 2003. The hearing officer determined that the _____, compensable injury of appellant (claimant) does not extend to an injury to the neck or right elbow; that claimant has not had disability beyond August 27, 2002; and that the Texas Workers' Compensation Commission had jurisdiction to determine the issue regarding extent of injury. Claimant appealed only the determinations regarding extent of injury and disability on sufficiency grounds. Respondent (carrier) responded that the Appeals Panel should affirm the hearing officer's decision and order.

DECISION

We affirm.

We have reviewed the complained-of determinations and conclude that the issues involved fact questions for the hearing officer. The hearing officer reviewed the record and decided what facts were established. We conclude that the hearing officer's determinations are supported by the record and are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer's decision and order.
